WELCOME MESSAGE

Dear IAPians, Seniors, Colleagues & friends

Greetings from Hyderabad, Telangana!

It gives us immense pleasure to announce that the 32nd Annual Convention of the Twin Cities Branch of the Indian Academy of Pediatrics (32nd IAPTCB PEDICON 2026), being held in conjunction with the 14th National Pediatric Dermatology Conference (14th PEDDERMACON 2026), will be conducted on 26th & 27th September 2026 in Hyderabad, Telangana.

The Twin Cities Branch of the Indian Academy of Pediatrics (TCB-IAP), Hyderabad, is privileged to host this prestigious academic event, which is expected to bring together 500+ Pediatricians and Dermatologists from Telangana, Andhra Pradesh, and across India, with a special focus on contemporary advances and practical aspects of Pediatric Dermatology.

The Organising Committee has curated an academically enriching and clinically relevant scientific programme, comprising two days of comprehensive scientific sessions, expert interactions, and a dedicated Pre-Conference Workshop on 25th September 2026. The programme has been designed to provide meaningful learning opportunities and facilitate professional exchange among delegates.

We cordially invite you to participate in this prestigious academic gathering and contribute to its success through your esteemed presence and active engagement. Your participation will undoubtedly add value and distinction to the scientific proceedings.

It is also a matter of great pride that the Twin Cities Branch of the Indian Academy of Pediatrics is commemorating 40 years of its establishment. To mark this significant milestone and celebrate four decades of academic and professional service to the pediatric community, the Branch will be releasing a Souvenir-cum-TCB Directory during the conference.

We look forward to welcoming you to Hyderabad and making the 32nd IAPTCB PEDICON 2026 & 14th PEDDERMACON 2026 a memorable and academically rewarding experience.

With warm regards,

Dr. M. Vasudeva Murali
